ABOUT ME

Giuseppe straight from Calabria Italy, with his voice, guitar and passion for the music, loves to take the public into his world musical journey through Jazz, Swing and Pop classics.

At the beginning of his career he performed in rock and blues bands as guitarist. For a long time he was part of the Calabrian popular bands, Radici Calabre and Marasà as multi-instrumentalist (Voice, Guitar, Cajon and Lira) composing and executing Ethnic Music. Giuseppe also gave life to an ethnic acoustic duo project with the African Griot and Kora player Boto Cissoko . Giuseppe currently lives and performs in Poland as a solo singer artist and guitar looper continuing to share his lifelong musical passion.
